Classes and sections that you are currently enrolled in for this semester.

_____ List those you will you drop (if any) if you get the permission codes

_____ State your specific circumstances

I understand that I will receive a failing grade (F) if I take any of the above classes without satisfying all of its **prerequisites or if the above information is incorrect or incomplete**. I also understand that if it is found at any time that I have missed a prerequisite I may have to retake all the courses that were directly or indirectly dependent on the missing prerequisite.

I will enroll in a class **within 24 hours** after receiving its permission number. Otherwise, I'll be dropped from the class or receive a failing grade.
